## **Cost Exempt List for Data Purchasing**

The following types of organizations are exempt from GIS data Costs. Exempt organizations are still required to sign the waiver agreement and may be subject to standard processing fees.

- Sioux County City Governments
- Sioux County Schools
- State of Iowa Agency
- Federal Government Agency
- Tax supported University or Community College

Contractors may be granted access to the data at no cost if they are conducting work on behalf of an exempt organization. The exempt organization must make a formal request for the data and have a signed waiver on file with the Sioux County Auditor's Office.
