11-10-15 4 Thomas Kunstle, Sioux County Attorney reported that:

- Deputy County Attorney, Tyler Grevenoed, is attending the Iowa County Attorney’s Fall Conference.
- A serious injury by vehicle incident case resulted in the sentencing of the defendant to prison for five years.
- A hearing was held on the County Community Services’ Forcible Entry and Detainer (“F.E.D.”) petition requesting the Court evict a resident the County had been helping through rental assistance. The Court evicted the resident as requested.

11-10-15 5 COMMITTEE REPORTS

- **Bloemendaal** – has been designated as Sioux County’s Guard Emergency Situational Awareness Contact. Retired guardsmen are points of contacts in each county. Bloemendaal will act as liaison between Sioux County and the Iowa National Guard in times of National and State Emergencies
- **Kleinwolterink** – Asked the Board for approval to put 18.86 acres of land adjoining Oak Grove Park into the Conservation Reserve Program. In order for this to happen an operator of record needs to be named. Motion by Kleinwolterink and supported by Bloemendaal to name John Degen as the operator of record for 18.86 acres of land, with the understanding that proceeds from CRP will be turned over to the County. Motion carried, four members in favor, John Degen abstaining from the vote.
- **Degen and Kleinwolterink** – Reported on a Building Committee request to replace the Courthouse lawn tractor and cab. All wheel drive and steering will eliminate the need for chains, which would make the tractor easier to store in the winter. The estimated cost after trade in is \$14,285.78.
- **Sybesma and Degen**– will meet with Brad De Kam and Caleb Haverdink, deputy sheriffs later this week to discuss

11-10-15 6 Doug Julius, Sioux County Engineer,

- Kevin Van Otterloo from the city of Rock Valley told the Board that Rock Valley is working on the 17th street bike trail, and they are ready to proceed with that project. Van Otterloo asked if there was any chance of putting the path right next to the highway. Julius gave a brief history of the area and said that there is 50’ of right of way next to the road. The County Engineer’s preference would be to have the bike path as far off the edge of the road as possible. Julius cited safety issues with the path adjoining the road. Keeping the path approximately 10’ from the road would keep motor vehicles from using it as a traffic lane.
- Updated the Board on ongoing Secondary Road projects. All projects on the construction map should be completed by the end of the week.

11-10-15 7 The Chairman adjourned the meeting at 10:00 a.m. until 9:00 a.m. Tuesday, November 24, 2015.

Mark Sybesma, Chairman
Sioux County Board of Supervisors
